The Center for Career & Professional Development has partnered with the Computer Science Department for the inaugural Computer Science Career Forum.

Meet and network with students seeking careers in technology. Undergraduate and Graduate students pursuing degrees in Computer Science, Management Information Systems, Mathematics, and Physics will be invited to attend the Career Fair portion of the event.

The cost to attend this event is $200. To register visit HireACardinal.org.

For additional information or questions, please contact Haley Tyson at 409-880-1853 or haley.tyson@lamar.edu.
