Guest Speaker Dr. Nancy M. Amato

Bio: Dr. Nancy M. Amato is a professor of computer science and engineering at Texas A&M University where she co-directs the Parasol Lab, is chair of the Council of Principal Investigators, and is chair of the university-level Alliance for Bioinformatics, Computational Biology, and Systems Biology. She received undergraduate degrees in Mathematical Sciences and Economics from Stanford University, and M.S. and Ph.D. degrees in Computer Science from UC Berkeley and the University of Illinois at Urbana-Champaign.

Dr. Amato is an IEEE Fellow and a recipient of a CAREER Award from the National Science Foundation. She serves as a Distinguished Speaker for the ACM Distinguished Speakers Program. She serves on several IEEE editorial boards, and on review panels for NSF and NIH. She is a member of the ACM, IEEE, CRA-W, CDC, AdCom, and co-chairs the NCWIT Academic Alliance.

Her research focuses are motion planning and robotics, computational biology.

Speech by Dr. Nancy Amato To Be Announced.
